Holiday Charity

From Penngrove Social Firemen members
At our meeting in November the membership voted to help make this holiday season a little better for families under financial hardship. The following is things members can bring to the December 7th meeting. You will be making a contribution to little one(s) so they will have an unexpected Christmas from the hearts of members of the Penngrove Social Firemen as we always "Serving our Community"

In respect for the receiving families the names will remain anonymous

The Board of Directors will see the timely delivery of gifts. We are working with Penngrove School and Penngrove Community Church.

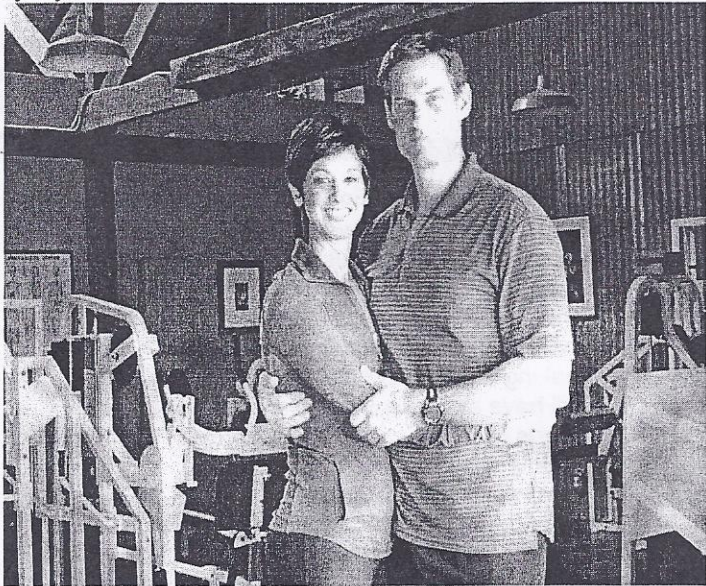

Your Board Members are very proud that we can all make a simple contribution to make a little kid happy. We are aware that many of us are blessed with security and we sometimes forget that others may not be fairing as well. The Social Firemen has always come through to put a smile on our community members faces. If you doubted go to Penngrove Park and watch the kids on our new playground facility.

Supporting Local Penngrove Business

by Lyndi Brown

Main Street Fitness

Meet Jim and Cindy Tuck, owners of Main Street Fitness. Their personal strength training studio is in Penngrove Station, in the former railroad freight building next to Penngrove Park.

The Tucks live on Oak Street -- full disclosure: I love living next door to this terrific family! All four children attended Penngrove Elementary. Oldest son, Tyler, graduated from Petaluma High last June, while triplets Alex, Courtney and Emily are juniors. Courtney just got her driver's license, so watch out!

This local business offers an open gym format, where clients can come in and work on their own time schedule after initial instruction on operating the equipment properly.

Clients appreciate the private training environment, to help them remain strong and active as they age. The brief but intense workout -- usually 20 minutes -- is recommended twice a week.

"Anyone who wants to stay strong and have a feeling of well-being can benefit from this kind of fitness program," said Cindy Tuck. "We are happy to offer a free session to try it out."

Main Street Fitness is at 11790 Main St., Penngrove, 707-792-0646, or email info@mainstreetfitness.biz

Special Thank You

In the back ground members are delivering service that most of us have no idea what's going on. Sue Barrass types up our minutes (no small task) and helps get the newsletters mailed. Lyndi Brown provides great articles about our local businesses.

Good of the Order

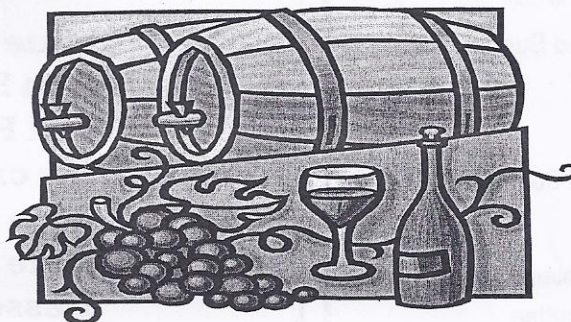

Joe Turner's daughter, Judith Ann, passed away on November 14, 2011 after a brief illness. The Penngrove Social Firemen extend our condolences to the Joe and his family. Harold Fish is recovering from a broken leg; we all wish Harold a speedy recovery.

Penngrove Social Firemen Directors Meeting

November 7, 2011

President Reiter opened the meeting at 7:00 pm.

Those present were: Ray Soper, Patty Soper, Al Davidson, Pam Rossi, John Rossi, Don Barella, Bill Park, Roland Mellor, Joel Reiter, Speed Messenberg, Joe Turner & Kim Hanson.

Park Ranger Al Davidson said that the Park is practically shut down for the winter.

Speed Messenberg said old worn out light sockets above benches in main hall of the Clubhouse have been replaced with new ones. New wiring is hanging from ceiling ready to tie into the sockets. Plugs installed in ceiling are for Christmas white strings of small lights. Furnace was wired to dedicated circuit.

Ray Soper reported there is \$22,379.61 in checking and \$39,275.72 in savings for a total of \$61,655.33. Ray Soper stated interest is very low on accounts in First Community Bank. Directors discussed researching alternatives

The last meeting of the year, December 7, 2011 will be voting and will take place at the meeting. Don Barella and Kim Hanson have volunteered to work the polling booth and also to check each person to make sure he/she is a member before receiving a ballot. Ray Soper will furnish Don & Kim with an updated active member list. Don Barella, Kim Hanson & Roland Mellor were appointed to count the ballots also.

It was moved, seconded and passed to waive the cleaning fee (\$125.00) for the Santa Rosa Lions Club (Montgomery Village) for their fund raiser they are having in January 2012. They will clean up the hall themselves.

It was moved, seconded and passed for the Person nominated for the "Gold Key". This award is for members or non-members that give their time and energy to the Social Firemen for work needed to be done.

It was moved, seconded and passed for the Person nominated for the "Silver Spoon". This award is for continued help by this person in the clubhouse kitchen.

It was moved, seconded and passed for the Person selected by the President to be awarded the "President's Award". This person must have done things above and beyond the expectations of the President.

It was discussed: moved, seconded and passed to allow Patty Soper look into refinancing our present loan with Wells Fargo for a better rate..

There was much conversation on the July 28, 2012 Penngrove Graffiti Car show of which John Rossi is the chairperson. Talked about T-shirts and other items. More information in the Gazette at a later date.

Patty Soper stated she talked to the Principal at Penngrove School on their needs, Patty asked for the name of two needy family's (children's ages and sizes). Social Firemen are willing to help in making this holiday season for kids.

Directors talked about rug in the Fireside room. It's costing the Social Firemen with the rug cleaning and we're leaning toward getting rid of the rug and installing tile or hardwood to match large hall floors. Nothing settled and will be discussed at a later date.

It was moved, seconded and passed to purchase camera for Bill Park to use, to show damage by renters using the Clubhouse.

Talked about sanding and refinishing the main hall floor because of the marks that the dance people are leaving on the hardwood with the Klogger type dance. Talked about using some type of wood covering over the hardwood for the dancers to use. Nothing figured out at this time. Research will continue.

Moved, seconded and passed to pay the Park Ranger's phone bill (monthly) because it is used for Park rental business. Al Davidson has been paying himself. The Directors decided to pay Al Davidson \$500.00 for his past payments to the phone company for 35 months.

It was discussed that we need more/better lighting at the Park for evening rental events and the Social Firemen events. We probably will rent some lighting.

President Reiter stated that he wants full accounting of all funds as December 31, 2011 when he leaves as President of the Social Firemen.

Kim Hanson wanted to know if more people will be involved in our Christmas Dinner in December. Ray said we are all involved. Family style dinner is the best way.

Welcome Silveria Buick-GMC

Ray Soper and Dean DeGraffenreid recently purchased new GMC pickups from Paul Peloso at Silveria Buick – GMC.

As we all know it can be a terrifying experience trying to buy a new vehicle, I don't know about everyone else but for me hitting the new car lot with the fight or flight mode in first gear.

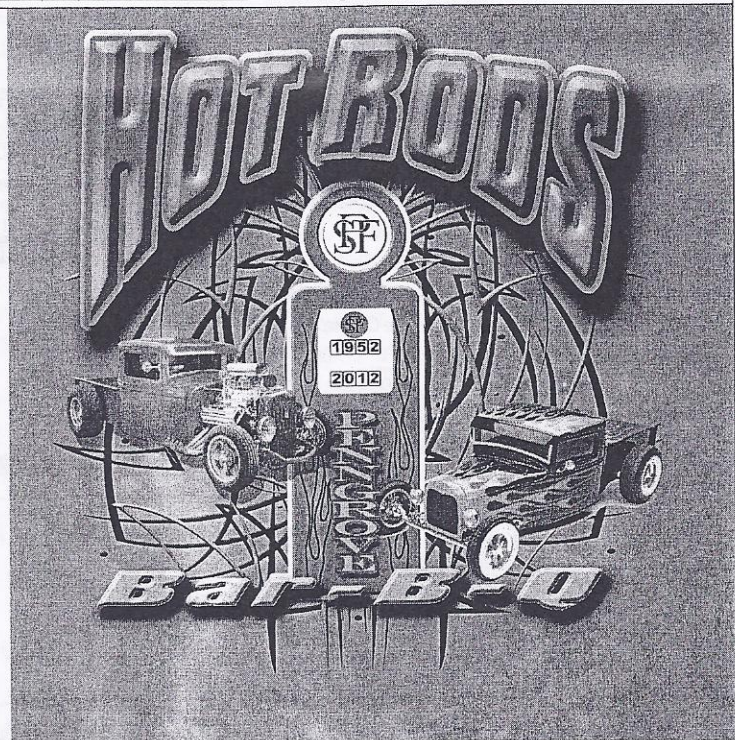

At Silveria's the feeling of pressure was immediately dissipated. I had in mind what I was looking for and Paul Peloso was very accommodating in searching for my vehicle of choice. Once the vehicle was located he crunches the numbers. At that point the choice was mine. Paul never hit me with "If I can reach your needs will you buy today".

Paul went out of his way to find every rebate and discount he could. When the vehicle was delivered, as we all know comes the mountain of paper. When the paper work was all done, in idle conversation I mentioned I was a Farm Bureau member, Paul immediately "Hey that's a \$ 500.00 discount" Silveria immediately re did my contract to reflect this discount, I am impressed.

Upon delivery, Paul introduced me to the service dept and their full service body shop.

Thank you Dean Degraffenreid for referring me to Silveria and Social Firemen Gene Giorgetti has always spoke highly of Silveria.

The best for last -- you buy a qualified vehicle from at Silverias -- Paul will see to it that \$ 50.00 finder's fee will be donated to the Penngrove Social Firemen. Plus think about joining Sonoma County Farm Bureau for \$ 72.00 a year and getting a \$ 500.00 debate on qualified GMC products plus a ton of other discounts, and to top it off you will be supporting Sonoma County Agriculture. First question "I am not a farmer." You don't have to be because you will join as a sustaining member. If you want to become a member or need more information contact Ray Soper or Ryan Cheda at 707-794-9950 they can help.
